

PASSIONATE RUSSIAN

INGREDIENTS

50ml Stolichnaya
25ml Pressed Apple Juice
15ml Spiced Apple Syrup
1 Grenadilla

METHOD

Combine all ingredients into a cocktail shaker with ice. Reverse Dry shake and pour into a rocks glass with an ice sphere. Garnish with a floating grenadilla husk with star anise

FACT: Tony Abou-Ganim invented the original Pornstar Martini at the LAB bar in London in the late 1990s as the cocktail renaissance took hold in the UK. The combination of vanilla and grenadilla not only rhymes, it tastes delicious too.
